*Merry Christmas &  
Happy New Year!*

## *What an incredible year we've had!*

We owe a huge **Thank You** to all of our donors and volunteers who worked so hard to help us provide shoes, socks, foot care supplies, clothing and blankets to those in need. Your support makes all the difference for us and those we serve.

This month we traveled to 5 shelters and provided a variety of shoes, socks, clothing, and blankets to the customers there. We also provided shoes and clothing to children in West Virginia. Without the support of our sponsors, donors, volunteers and Board Members, we could not accomplish our mission. Here are a few pictures of what your assistance provided this Christmas.

**Thank You, Thank You, Thank You.**

This is one of my favorite items to give away.

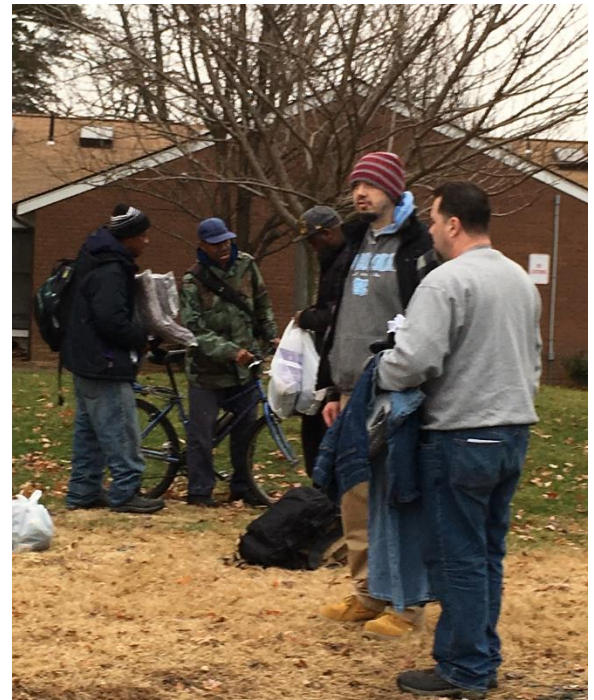

Socks, scarfs, and hats for children and women.

Leather sneakers help fight off the cold in the winter.

Before we set out for a delivery, we ensure the vehicles are filled with as many boxes and bags of shoes and clothing as possible. If we find there's an empty spot, we fill it.

Church and outreach volunteers work with the customers, praying with them and encouraging them as they picked up their supplies.

We worked with another nonprofit to add shoes, gloves, hats, blankets, and clothing to their outreach efforts.

*Giving away shoes* is one of our favorite things to do. As we left the last shelter site, we saw a woman heading into the woods. Her backpack was filled with supplies and she had one of our shoeboxes tucked under her arm. Thank You for helping us serve others!

*Happy New Year!*
