

Thank you message from the coordinator in Ukraine we sent the Bombas socks to in July 2018. He tweeted his thanks to our friend Benny, who transported the socks for us.

Benny Sargent

Questioned "Thank you for the socks Sister! These are such a bless

ing and Dan Bardwell is telling people all over the globe that thes

e are Bombas that we're donated. Just think of the lives that will

be saved this winter - literally! Additionally, the lives impacted

by people NOT getting infections right now! What a huge blessing!

Thank you for your help and your vision."
