

The JDF Footprints

By Executive Director Carolyn D. Jenkins

May 2018

We've been busy! The JDF team had a very busy spring! We delivered shoes to multiple shelters in Maryland just in time for **Easter, Mother's Day and early Father's Day gifts.**

Our **United Communities Against Poverty** delivery included women's and children's shoes for the clientele. Within hours, our delivery was included in their Mother's Day program.

The **Mission of Love** delivery included men's, women's and children's shoes and clothing. The staff and volunteers at this unique facility work to ensure

their customers can 'shop' throughout the year for clothing. Sadly, shoes are not always available. The 100 pairs of shoes we delivered were a well-received boon for their clients.

We overwhelmed the **Project Plase** staff and volunteers with our donations. We traveled to this vibrant shelter in Baltimore City, Maryland because it's located in one of the most underserved sections of the state. Project Plase provides for more than 1100 clients each year. The shoes, blankets, and clothing we delivered overflowed from one corner of their room to nearby tables. The volunteers eagerly began opening shoe boxes and marveled at their new treasures.

It promises to be a busy summer for our volunteers. **Bombas Socks** shipped hundreds of new socks to us that we will begin delivering soon. **Wanna' volunteer and donate? Contact us at thejdf@jdffoot.org and donate on our website.** We love giving shoes and **Bombas Socks** to those in need!
