The JDF Footprints

Giving Tuesday

Black Friday, Cyber Monday and Giving Tuesday! The JDF is gearing up for the biggest day of charitable giving in the USA. Giving Tuesday is the Tuesday after Thanksgiving, November 27, and it's a great opportunity to support The JDF mission.

We absolutely ***LOVE*** giving shoes, socks and foot care supplies to those in need. This summer we made our first international distribution, providing Bombas socks to underserved families in Ukraine. Here in the US, other volunteers handed out more Bombas socks, and clothing during our shoe distributions.

When we learn about different needs, we strive to meet them. In early October we helped volunteers give Bombas socks to families in Honduras who needed assistance. We stay busy!

Please support us with a generous donation at jdffeet.org. Thank You!

Meet our new Georgia Team Lead and Liaison, Jae.

What do you do when you have an eager volunteer who wants to organize a shoe collection drive before she has major surgery? You get them everything they need to be successful and get out of their way.

We learned low-income seniors in Georgia need shoes and foot care supplies. Jae jumped in and coordinated a shoe drive with her very generous friends at the **Centers For Disease Control, CDC.** Two days before her surgery, Jae, with the aid of a cane, was transporting bags of new and gently used shoes.

Thank you, Jae, for your giving heart and your commitment to our mission to serve others. We are very fortunate to have several volunteers who work tirelessly to serve others. Thank you! We're still collecting shoes for the elderly and families in Georgia, If you'd like to help us, contact us at **thejdf@jdffet.org** sign up on **volunteermatch.org.**
