

The JDF Footprints

By Executive Director Carolyn D. Jenkins

December 2018

Merry Merry Christmas!!!

This is the season of love and giving. Our JDF volunteers are busily collecting, sorting, tagging and bagging shoes for those in need. Various businesses are supporting our

efforts by placing our shoe collection boxes in their shops. Our collection boxes are brimming with donations.

One of our first shoe deliveries this season was **The Potter's House** in The Plains, Virginia. The line to pick up shoes began forming early in the morning.

In addition to giving away shoes, we surprised the patient customers with bags of clothing and Bombas socks.

Text NEWSHOES to 44-321 to make a quick donation.

Volunteers helped customers select their shoes and clothing.

The Potter's House was our first Christmas delivery of the season but it's not our last. Stay tuned for more in our January 2019 issue.

Be safe and we wish you love, joy and peace. Have a wonderful Christmas!

Thank you for supporting us & Happy New Year!
