

By Executive Director Carolyn D. Jenkins

June 2019

We're celebrating our 3rd anniversary in a big way!

We reached our 3rd anniversary through volunteerism, heart, and generosity. **THANK YOU** to everyone who has helped us serve the homeless and low-income families. You are making a big difference in the lives of people in need.

In honor of our 3rd year of service, The JDF is kicking off an innovative

program to help more kids in need. Our **Legacy Sponsorship** program is a win-win for everyone!

When you partner with us by sponsoring a New Shoe Giveaway, we'll match your donation, dollar for dollar. How? We'll 'supersize' your donation by providing clothing and uplifting goods to the attendees. We'll also host an interactive Foot Health Fair for the community!

Our **Legacy Sponsorship** program is an excellent opportunity for you, your family, co-workers, club, or friends to establish a living legacy. Your sponsorship can be in honor of a loved one, a business or special event. You can select the low-income area the shoes will be distributed in, and when the event will take place.

Invest in the next generation. To get more information about our **Legacy Sponsorship** program, contact **Carolyn at thejdf@jdffoot.org**.

The volunteers we work with Rock! Check out some of our Shining Stars!
