

The JDF Footprints

Happy Summer!

It's time to relax and exhale. Our JDF Team is ready to exhale too!

Before the school year ended, we made a big difference in the lives of a few teens in need. We delivered goods to St. Joseph's Villa in Richmond, VA, which focuses on helping teens. A St. Joseph's assistant spotted a tuxedo jacket among the shoes, Bombas socks and clothes we donated. She quickly scooped the

jacket up and set it aside for 'Tim' who needed a tux for his prom.

When our volunteers returned to St. Joseph's Villa in the following weeks to donate additional goods for the teens,

we inquired about Tim. The shoes, socks and clothing our volunteers donated were appreciated, but the biggest hit was the tuxedo jacket Tim wore to the prom!

Welcome New Board Members!

The JDF is growing by leaps and bounds! Welcome **Nature Malone**, **Greg Jenkins** and

Donyea Thomas.

They bring a

wealth of

experience to our Board. Our 'newbies' are already hard at work shaping our Board and spearheading our Fundraising and Stewardship. Thank you and Welcome!

Legacy Sponsorship

When you sponsor a new shoe giveaway, we'll **match your donation** with clothing and goods for the families!
