We launched our first Legacy Sponsorship Program Shoe Giveaway & Foot Health Fair!

Buckingham, Virginia was the site of our first Legacy Sponsorship Program. It was a great success! We'll share more about the smiling faces in our September newsletter. If you want a sneak peek go to our YouTube channel, <https://www.youtube.com/channel/UC HS3bj6mOVUqNgTHkFZrRiA/videos>!

Mission of Love Charities, Inc., located in Capitol Heights, MD, is a one-stop shelter for people in need. In addition to offering clothing and goods to area residents, they feed the homeless, offer daily showers, and they make laundry services available.

Last year we dropped off large loads of gently used shoes and clothing. This year, we returned with more goodies to ensure parents and college kids had a large selection of shoes and clothing. Thank you to the caring staff at MOL for all you do to help others.

Our Legacy Sponsorship Program matches your donation, dollar for dollar. Learn more at jdfffeet.org or contact us at thejdf@jdfffeet.org.
