

# The JDF Footprints

By Executive Director Carolyn D. Jenkins

September 2019

**Our first Legacy Sponsorship Back-to School Shoe Giveaway & Foot Health Fair event ROCKED! Bama Works of the Dave Matthews Band** donated funds for Back-to-School shoes for kids in Buckingham County, VA. The

JDF matched that donation, dollar for dollar, with clothes, toys, and gifts for the attendees.

First, the kids selected their new shoes. Then they moved to the Foot Health Fair

stations where they learned about diabetes, good foot care tips, and how to make healthy lifestyle choices. After they answered their

questions correctly, they won tickets and an opportunity to play a game and double their ticket winnings.

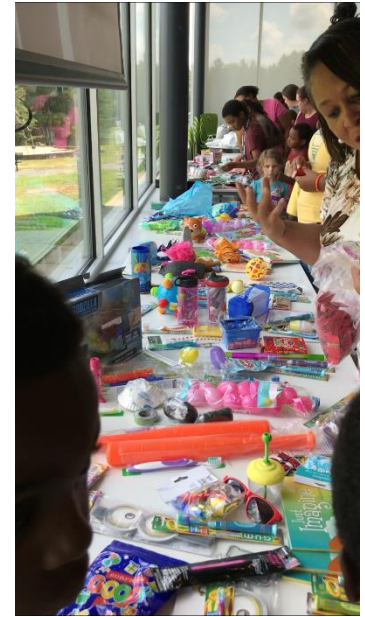

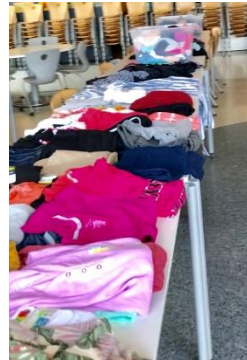

Each of the games helped remind the kids our feet are important to our fun and everyday activities.

Then they turned in their tickets for prizes!

Some of the kids were stumped when we challenged them to get out of the pool without using their feet.

The Foot Health stations and workshops helped families win lots of tickets.

Bags of goodies and happy faces! *Special thanks to Bama Works, Hibbett Sports, Bombas socks, Transformation Systems, Inc., and the many wonderful Buckingham volunteers!*
