

The JDF Footprints

By Executive Director Carolyn D. Jenkins

October 2019

Where did summer go? We blinked and the leaves started changing colors. Before we lose track of more time we want to thank the **Baltimore O's** for hosting The JDF earlier this summer.

Camden Yards is fabulous and the **Baltimore Orioles fans** are wonderful.

We fell in love with Bmore last year when we began working with a large shelter named **Project Plase**. There's a lot of need in the low-

income areas. The autographed **Cal Ripken, Jr.** ball we raffled helped us raise funds to continue our

more outreach. Our raffle winner was thrilled! **Thank You O's!** Bmore, we'll be back soon!
