

## The JIDIF Footprints

Promoting foot health and healthy lifestyles!

By Executive Director Carolyn D. Jenkins

January 2020

Welcome, 2020! Our new decade is underway, and our expanded mission and vision are clear. In 2016, we gave away shoes and socks, along with gently used clothing and blankets. Today, besides these, The JDF gives away school supplies, toys, new clothes, beds, bedding, and an assortment of household goods that improves the lives of those in need. From the bottom up, we're enhancing the health of the underserved.

Our Christmas giveaways brought heartwarming responses. A picture of a new baby bed from a grateful father, the smiling faces at a holiday

community party, and the glowing faces of the senior citizens we visited, enriched us. Giving never gets old. Have a great year!

Support The JDF at jdffeet.org, FB, smile.amazon or text NEWSHOES to 44-321.
