

The JDF Footprints

Promoting foot health and healthy lifestyles!

By Executive Director Carolyn D. Jenkins

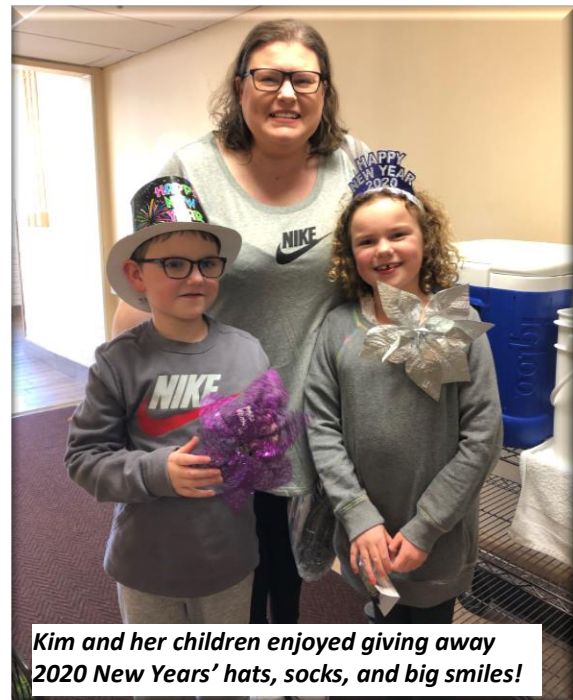

February 2020

It's all about the love we share!

Volunteers with bags of Bombas socks, smiles and goodies for Hughes Homes residents on MLK Day.

February is a great month to celebrate love and share love stories. Spreading love is a JDF specialty. On Martin Luther King, Jr. (MLK) Day, JDF volunteers had an opportunity to share time and love with nursing home residents at Hughes Homes in Fredericksburg, VA. We gave away new socks along with colorful poinsettia pins, 2020 New Years

Kim and her children enjoyed giving away 2020 New Years' hats, socks, and big smiles!

Hats, and lots of smiles. The residents were immediately cheered by our friendly volunteers wearing big smiles and bearing gifts. Members of a visiting musical group, along with members of the warm and caring Hughes Home staff also got into the spirit by donning 2020 New Years' hats.

In November JDF volunteers visited Colonial Heights Health Care Center in

"Thank you from the bottom of our hearts for your generous sock and New Years donations yesterday! You made many of our resident's smile! We are very grateful for all you do!" Susan Ducic Activity Director

Richmond, Virginia. Solomon and his daughter celebrated her eighteenth birthday giving away socks and spreading love and cheer to the thankful residents.

Many of our JDF volunteers keep socks in our vehicles so we can pass them out when we see people in need. We have countless stories from beneficiaries who have socks that are worn out. Recipients are always grateful and appreciate a new pair of socks.

When members of my Transformation Systems, Inc (TSI) family learned we needed socks, they hosted a sock drive for The JDF. Bombas and TSI are making sure we won't run out of socks anytime soon. We're going to keep sharing love to young and old.

Did you know?? (1) Socks are the # 1 requested item by the homeless and those living in shelters. (2) Shelters need children's socks.

*Thank you Bombas, TSI and JDF
volunteers for sharing Love!*
