

The JDF Footprints

Promoting foot health and healthy lifestyles!

By Executive Director Carolyn D. Jenkins

March 2020

We truly love giving to those in need! The gratitude on the faces of the people we serve is heartwarming. In 2019 we increased our outreach by giving away household goods.

These goods help improve the lifestyles of the low-income. The beds and mattresses we give help people in need get a good nights' rest. The kitchen goods we distribute make cooking at home easier for families. This year our **2020 DoubleBlessing** campaign is an opportunity for you

to become part of our giving stories!

Our new **2020 DoubleBlessing** campaign will help us double our outreach this year. Doubling our outreach helps us reach more of the

homeless, elderly, and low-income families. Your generous donations will

help us meet our goal. Text **2020DB** or go to **jdfffeet.org** to donate today!

See more giving stories and support us at **jdfffeet.org**, **smile.amazon** or text **2020DB** to 44-321.

Thank you for supporting The JDF!
