

The JDF Footprints

Promoting foot health and healthy lifestyles for the underserved.

By Executive Director Carolyn D. Jenkins

June 2020

The JDF team is covering up when we roll out this summer! Like the rest of the world, we are fighting this pandemic with our masks, hand sanitizers, gloves, and social distancing. These extra protections have not slowed down our outreach. Vehicles full of goods roll out weekly, headed to low-income families in the District, Maryland, and Virginia.

Our retail partnerships enable us to provide families with a wide variety of housewares, baby items, clothing, kitchen, and bathroom goods, toys and bedding. Our commitment to foot

health never wavers so of course, each of our deliveries includes the Bombas socks that everyone loves!

Our new friend from Urban Outreach holding up socks.

One of our favorite giveaways occurred when we gave a bike like this to a senior citizen walking along the road. The 63-year old had no transportation and he was very grateful for this small gift. Below are more photos of our May giveaways.

This pool, dollhouse, vacuum, and bikes brought smiles to all.

We gave away microwaves, cleaners, vacuums, personnel products, clothing, blankets, sheets, kitchenware, baby goods, toys, shoes, and so much more to help those in need during the COVID19 crisis.

"The van is full but I think we can squeeze another bike in."

Email thejdf@jdffet.org to sign up for our newsletter or for assistance. Keep your masks and gloves handy and stay safe.
