6 ft social distance

**Promoting foot health and healthy lifestyles for the underserved.**

By Executive Director Carolyn D. Jenkins

July 2020

**Summer's here**, and our pools, water slides, floaties, and game deliveries are a big hit with kids who've been homebound for weeks. We're delivering treats for the grown-ups too, in the form of vacuum cleaners, lawnmowers, and household goods.

We continue to serve the homeless population during the

pandemic by delivering Bombas socks, personal products, and linens. All of our deliveries bring smiles and help those hit hardest by COVID19.

Our masks are out of sight, but we wear them to stay safe. Keep yours handy, too, continue practicing social distancing and stay healthy! We're all in this together.
