

The JDF Footprints

Promoting foot health and healthy lifestyles for the underserved.

Due to COVID19, the 20-21 school year got off to an unusual start. Kids learn from home, go to school a few days each week, or masked children attend class full time. Equipping low-income children for success is important, so we were happy to help!

Our JDF volunteers happily gave away binders, pencils, erasers, glue, glue sticks, pencil boxes, crayons, markers, scissors, and a wide variety of workbooks to help families in need. These supplies help cash strapped families as the kids try to adjust to their new learning routines.

See more of our giving stories on Facebook. Text 2020DB to 444-321 to donate!

One of the essential school supplies we are giving away is headphones! This item has been a big stress reliever for families with multiple students learning at home at the same time.
