

THE JDF FOOTPRINTS

Promoting foot health and healthy lifestyles for the underserved.

February 2021

*Baby it's cold outside!
Warm up with our latest
YouTube videos which
highlight our holiday and
January giving stories!*

We gave away cases of outfits during the holidays. How pleased we were to receive a note with this beautiful photo “The girls loved their outfits!” Priceless!

Pets need healthy lifestyles too!

Supporting our four legged family members during the pandemic keeps us busy too! The picture on the far left shows a weeks work of pet food we delivered to a local animal shelter. We regularly load up as many vehicles as possible to ensure we distribute this valuable necessity to pet owners in need.

Heaters come in a variety of shapes and sizes. This versatility helps ensure we place the right heater in the perfect home. Fireplace heaters, towers, utility and small infant size heaters make a big difference when its cold outside. Did we mention heated blankets? Warming up under one of these is delightful!

100 Day Challenge COVID19 Update

Local health departments are scheduling COVID19 vaccine shots. Call or schedule your shot online. Continue to mask up before and after your shots. N95 masks are 95% effective against the new stronger strains of COVID. Wearing two masks also helps protect you and others.

Volunteer Highlight

The JDF operates solely through volunteer efforts. Our success is due to the dedication of lots of faithful volunteers. Rev. Zollie and Rev. Linda are two of our favorites. These two do it all! They help pick up donations, then they sort, box, and distribute donations to people in need, near and far. With smiles on their faces and joy in their hearts, they serve those in need. We are so blessed to partner with them. Thanks for your support Rev. Zollie & Rev. Linda!
