

# THE JDF FOOTPRINTS

*Promoting foot health and healthy lifestyles for the underserved.*

March 2021

Our JDF volunteers gave away heaters, vacuum cleaners, blankets, freezers, refrigerators, & other goodies this winter! See more of our giving stories on the **Jenkins Donelson Foundation**

People living on limited income, kids snuggled together to keep warm, and families living with broken appliances they can't afford to replace. Our JDF team helped families meet these challenges by providing them with goods to warm their hearts.

A single mom in need picked up a refrigerator and freezer. The appliances had a few cosmetic dings, but the mom says they work great. Now she can save money and store her food safely.

**Rain or shine!**
