THE JDF FOOTPRINTS NEWSLETTER

Promoting foot health and healthy lifestyles for the underserved.

May 2021

We found new homes for thousands of treasures at our April Community Giveaway! Read some of our favorites stories here and watch the full story on our channel.

Hundreds of attendees participated in our 2nd Community Giveaway. Kids had a chance to enjoy great free toys, including the big brother pictured above driving his sister in her Disney car. Shoes, clothes, school supplies, bikes, microwaves, and so much more found new

homes and grateful hearts. In 2019 we expanded our mission to promote

healthy feet *and* healthy lifestyles. The everyday essentials we provide families in need, including personal products, detergents, and household goods help stretch family budgets, reduce stress and keep people healthy. Our foot health parallels general health and healthy families build strong communities. We're busy building strong communities, and we're having lots of fun!

The happy attendee above picked up his first pair of roller blades at the Giveaway. He hopped out of the car as soon as he got home and took them for a spin.
