School Interrupted; that's the best summary for the 20-21 school year. As the 21-22 school year prepares to begin, JDF volunteers are placing notebooks, pens, pencils, scissors, paper, glue, glue sticks, pencil boxes, crayons and every other imaginable school supply into the hands of teachers, parents and students.

We're also thinking ahead and equipping them with gallons of hand sanitizer and thousands of face masks in various shapes and sizes. The kids and the teachers are ready to return to the classrooms so we want to help keep them all healthy.

One of the most significant facts 2020 revealed is how valuable our teachers are. Let's hope that translates into well deserved pay raises. Best wishes to all those returning to the classroom this month. Happy school year!

Review for **Jenkins Donelson Foundation**, Garrisonville, VA, USA

07/08/2021

They are amazing. They blessed our school and feeder schools with back to school supplies beyond our imagination. We are so fortunate to partner with them.

It's football season! The JDF sent dozens of new football practice uniforms the Baltimore Terps youth league. Enjoy!

Congratulations to The JDF! We won the 2021 Innovation & Excellence Foot Health Specialist Award.
