We commemorated the 20th anniversary of 9/11 by serving others and bringing smiles. Partnerships with Turner Learning Center, New Image Community Baptist Church and the Office of the Attorney General ATTEND program helped us make new friends and bring thousands of dollars of goods to those in need.

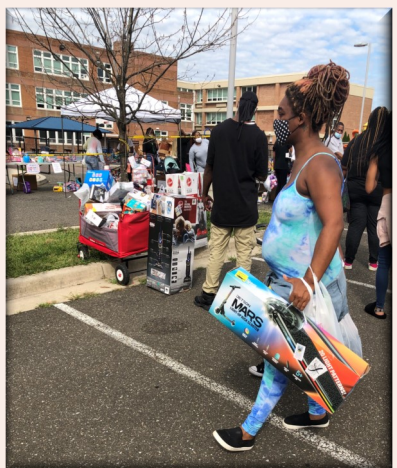

This attendee was very pleased with the clothes, electronics, room organizer, air mattress and toys she picked up.

Neighbors aged 2 to 92 came out to pick up goods they needed to help them live healthier lives. Attendees had more than twenty tables filled with goods to select from. New shoes, socks, clothes, electronics, bikes, vacuum cleaners, blenders, Pampers, paper goods, vaporizers, Halloween costumes, toys, school supplies, and a wide assortment of household goods were distributed. Volunteers from New Image, the AOG's ATTEND Program and The JDF worked for hours to bring this event to the SE DC community. Turner volunteers joined in the fun and provided additional school supplies for the kids. We look forward to working with our new partners, and seeing our new friends again.
