The JDF began supporting the Buckingham County, Virginia community in 2017. During the 2020 lockdown, our nonprofit sent thousands of dollars in school supplies and underclothes to the residents. This Christmas, with the aid of a very generous grant from the Enriching Communities Foundation, The JDF made a special delivery to hundreds of grateful Buckingham families.

Buckingham volunteers spent hours setting up Straight Street for the Giveaway. Dozens of additional volunteers devoted more than 100 hours offloading merchandise from the truck, sorting that merchandise, and setting up tables and giveaway stations. The result was a holiday market filled with shoes, socks, clothes, bikes, toys, paper goods, personal products, cleaning goods, Halloween costumes, yard goods, Christmas décor, scooters, yard goods, school supplies and a wide variety of household goods.

Squeals of delight from the children and exclamations from awestruck adults filled the room. For the Buckingham community, Christmas 2021 truly was the most wonderful time of year.

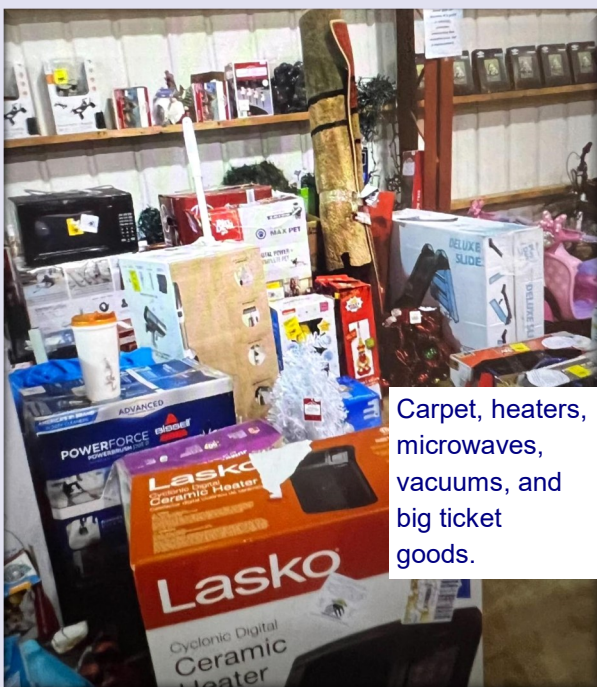

Tables filled with shoes, socks, baby, children's and adult clothes.
