Mar. 2022

Jenkins Donelson Foundation

Promoting foot health and healthy lifestyles for the underserved.

Partnerships: Team work makes the dream work so much better! Spring has sprung and our JDF volunteers have thawed out from the long winter freeze. This spring our mission promoting foot health and healthy lifestyles is connecting us with food partners!

As pandemic lockdowns and mask mandates subside, The JDF continues to provide free goods to those in need. This spring our team has partnered with nonprofit organizations that provide free food for those in need. For the next few months, those in need in the DMV area can receive free clothes, household goods, school supplies and free groceries through Community Giveaways The JDF sponsors or participates in. This will provide needed relief for low-income families affected by record high inflation and fuel prices.

We have two events scheduled for March with additional events planned for April. For the latest news, and events, follow our social media channels.
