## Jenkins Donelson Foundation

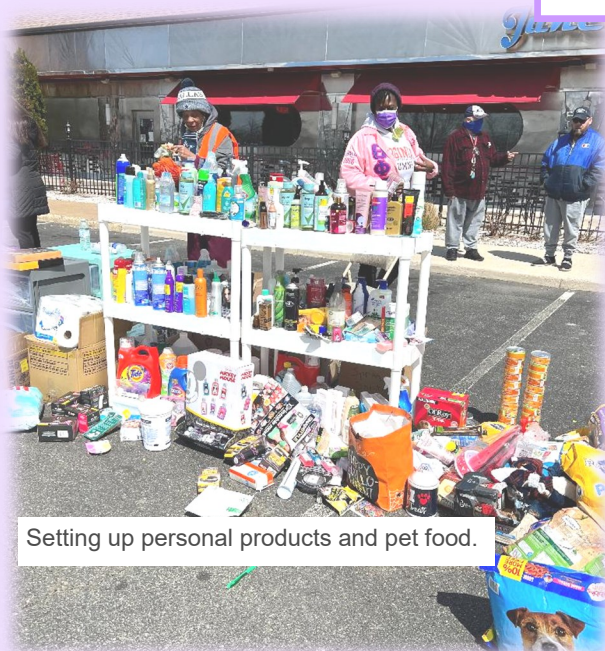

*Promoting foot health and healthy lifestyles for the underserved.*

Shopping for shoes.

Volunteers setting up a food table,

Setting up personal products and pet food.

### *It was cold but fun!*

Our third Community Giveaway of the year was a huge success! We partnered with our new friends at The GO Church VA and our food partner, Stepping with Leaders. Juke Box Diner in Manassas, VA hosted the event in their parking lot. People began lining up early, coming from as far away as Baltimore, MD. It was cold and windy but people bundled up and waited patiently to get the free shoes, clothes, toys, household goods, school supplies, calendars, bikes, household goods and groceries that were offered.

The Manassas Community Giveaway was a real family affair. More than 200 families attended the Giveaway and no one left the event empty handed, The 80 volunteers serving the community included young children and silver haired senior citizens. Parents brought their children to volunteer and stayed to help out as well. Extended families, cousins and siblings, assisted attendees with their selections. It was a great event and The JDF is already planning to return to the area, when it's warmer!
