Have you ever wondered how we coordinate our Community Giveaways? Joan, below in the orange vest on the right, began working on this event two months prior to the big day. She went to multiple stores and loaded the truck with cases of merchandise and later helped unload the truck. Her next step was locating a host site for the event. She spoke to two pastors and Joan coordinated a joint sponsorship with both churches which allowed us to store merchandise in both facilities and host it at one of the churches. Joan recruited volunteers who moved merchandise to both churches. Volunteers at each site spent weeks sorting through boxes separating and organizing goods.

On the big day, Joan had volunteers at one church deliver goods to the host site. Volunteers, along with the pastors unloaded trucks, set up tables and helped customers select the goods they needed. Clothes, including underwear and socks, were available in every size. Shoes, school supplies, housewares, home goods, mattresses, bikes, food, car goods, personal products, baby goods and toys galore were free to all who needed them. Thank you so much Hearts Delight Baptist Church and Oak Shade Baptist church family, and all the volunteers for working with us to bring the community together and help meet the needs of the Fauquier community. We had a grand time and we couldn't have done it without you. Click the link to see how we brought the community together. <https://youtu.be/sO7lqDIIVD0>
